

Catch::TestCaseInfo

```
classDiagram
    class Catch_TestCaseInfo["Catch::TestCaseInfo"]
    class Catch_TestCase["Catch::TestCase"]
    Catch_TestCase --|> Catch_TestCaseInfo
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text "Catch::TestCaseInfo". The bottom box is white and contains the text "Catch::TestCase". A solid blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating an inheritance relationship where "Catch::TestCase" inherits from "Catch::TestCaseInfo".
