

Catch::NonCopyable

```
graph BT; A[Catch::Section] --> B[Catch::NonCopyable];
```

A UML class diagram illustrating inheritance. The diagram consists of two rectangular boxes. The top box, representing the base class, is white with a black border and contains the text "Catch::NonCopyable". The bottom box, representing the derived class, is gray with a black border and contains the text "Catch::Section". A solid red arrow points vertically from the top edge of the "Catch::Section" box to the bottom edge of the "Catch::NonCopyable" box, indicating that "Catch::Section" inherits from "Catch::NonCopyable".

Catch::Section
